La calidez llega a Monopole de la mano de su colección MADERAS y TEXTILES. Sus piezas de distintos formatos y diferentes acabados, que inspiran cualquier ambiente, confieren un alto valor estético de la mano de sus destonificados, coloreados y decapados.

Por un lado, la madera, acabado noble y atemporal, combina a la perfección con cualquier otro material, aportando elegancia y cierto aire vintage.

Por otro lado, el textil, aporta confort en el hogar.

Uno y otro, ofrecen gran diversidad de colocaciones adaptándose a cada proyecto; locales de aire bohemio, casa con tendencias rústicas, estancias estilo palaciego, apartamentos con carácter nórdico...

Monopole ofrece tonos neutros sin estridencias para coordinar materiales con naturalidad... blancos y negros pasando por grises, marrones...

La madera, un clásico renovado, elegante y cálido, pero con las ventajas que nos aporta el porcelánico.

Warmth is reflected on these two wood and textile series. Pieces with different sizes which inspire any type of ambient adding to it a high aesthetical value thanks to its detoned, pickled and coloured finishes

Wood: noble and timeless material which perfectly matches any other material in walls as well as on floors adding elegance and a trendy vintage touch.

Textile finish always grants coziness and comfort to your home

There are several tiling options to easily adapt to all kind of projects: a house on the country side, an urban loft, a Baroque stylish room...

Neutral tones : grey, white, black... no stridencies, to create natural spaces.

Wood, a renewed classic, elegant and warm with all the advantages that porcelain tile add.

Тепло приходит в Monopole Ceramica с коллекциями под дерево и текстиль. Плитка разных форматов и дизайнов добавит жизни любому интерьеру, придавая ему высокую эстетическую ценность своими расцветками, графиками и потёртостями.

Дерево – материал благородный и неподвластный времени. Он может сочетаться с любым другим материалом как на полу, так и на стене, делая интерьер элегантным и по-винтажному изысканным.

Текстиль всегда приносит тепло и комфорт в Ваш дом.

Благодаря различным способам укладки, этот материал можно применять в любом проекте: будь то божественная студия или домик в деревне, изысканный дворец или же квартира в нордическом стиле...

Нейтральные расцветки серого, коричневого, белого и черного тонов без резких оттенков дают возможность находиться в гармонии с природой.

Дерево- элегантное и теплое, эта вечная классика воплощенная в керамограните и обладающая всеми его преимуществами.
